

"All that matters is that he loves it," Jolé (with Gnoffo) says of her Mark Zunino gown.

TERRA & JOE

Intimate I Do's

Little Women: Terra's Little Family star Terra Jolé's June 21 vows to love of eight years Joe Gnoffo, 39, boasted a very little flower girl. Three-month-old daughter Penelope rode down the aisle in a wagon at Emerson Creek Pottery & Tearoom near Dad's native Chicago. Then 75 guests partied amid "mason-jar-chic" decor, a nod to Jolé's Texas roots. For a fall honeymoon, adds the bride, 35, "even Penny got her passport!"

CAROLE FALLS FOR HER FLING!

Eight months after flirting in castmate LuAnn de Lesseps' beach-house kitchen, Carole Radziwill, 51, and private chef Adam Kenworthy, 30, are still cooking. "He's intelligent, and I like that he admires my life experience, yet understands that I'm young at heart," the Real Housewife of New York City tells *Us* of her decades-younger guy. "Plus, he thinks I'm the funniest girl he's ever met!"

Kenworthy toted Radziwill's new pooch, Baby, in NYC June 10.

ADAM & NAOMI

A Reel-y Good Team

Adam and Naomi Scott have two kids — son Graham, 8, and daughter Frankie, 6 — and one baby: their new movie, *The Overnight*. The *Parks and Recreation* alum and his producer wife, both 42, teamed up for the dark comedy about two couples who really get to know one another during a wine-soaked night. Now that their film is out in the world, the pair sound like first-time parents. "We haven't slept in a while," Naomi told *Us* at the film's June 18 premiere. "We need eight hours of sleep!"
